Surprisingly Different Gifts for Pet Lovers!

PET N^{PAW}TABLE

Welcome to Pet Notable, Surprisingly Different Gifts for Pet Lovers!

Whether you are a devoted pet parent or you are simply looking for the perfect gift for a fellow animal lover, we have the product for you. According to the 2017-2018 National Pet Owners Survey, published by the American Pet Products Association, an astonishing 68% of all USA households have a pet! Pets are increasingly being welcomed into the home and perceived as members of the family, as they provide their owners unconditional love and emotional wellness.

In this catalog, you'll find fabulous, on-trend artwork by Dean Russo, Avanti Press, Dog Is Good, and Dog Speak on functional accessories for the home and office. Our carefully selected book section includes superb titles for both dog and cat lovers.

Our office pet is a Siberian Husky named Makai, which is Hawaiian for "towards the sea". She spent the first 3 years of her life sailing around the world. She was so well-behaved this year that she made the catalog's cover! She's delighted!

As always, we appreciate your business and wish you a prosperous 2019.
